Together we are exploring our special gifts; Together we are growing towards God

### Your Tuesday News 21st April

#### Worship

Yesterday's worship was uploaded to the home learning spaces on the website for FS1-Y2 and to each class's google classroom in KS2. It centred around Doubting Thomas, when he did not believe that Jesus had risen from the dead until he had seen the holes in his hands. We reflected on the fact that even though Thomas had doubted Jesus and raised questions, once he saw the holes in Jesus' hands, his faith just went on to grow and grow. We prayed together and then acted out our mission of the week: to show our faith in Jesus by giving everyone who we live with a hug and staying positive.

You can find the worship here:

<https://www.stfrancisbradford.sch.uk/learning/home-learning/fs1>

#### Home learning

Well done to all the children and their families on the home learning you have been doing so far. We are so proud of you all for getting up to speed with working online so quickly and your teachers love receiving your work and providing feedback on it. Please keep it up!

To clarify home learning systems, please follow the instructions below:

#### **FS1, FS2 and KS1**

All learning activities are posted daily on to each class' home learning page on our website.

FS1: <https://www.stfrancisbradford.sch.uk/learning/home-learning/fs1>

FS2: <https://www.stfrancisbradford.sch.uk/learning/home-learning/year-one-1-1-1-1-1-1>

Y1: <https://www.stfrancisbradford.sch.uk/learning/home-learning/year-one>

Y2: <https://www.stfrancisbradford.sch.uk/learning/home-learning/year-one-1>

Feedback to children is then posted on the website in this same space. Children can then email their work to their teacher via the home learning email account: [homelearning@stfrancisbrad.co.uk](mailto:homelearning@stfrancisbrad.co.uk)

## KS2

All learning activities are posted into the children's classroom on google classroom. To access these go to [classroom.google.com](https://classroom.google.com) where your child will automatically find their classroom. Here, your child's class teacher posts three daily lessons to complete. Your child can then submit their work back to their teacher for feedback.

The Innovation Centre is doing a computing challenge each day called the Techaway Challenge. The link to find it is [https://www.youtube.com/watch?v=PTOLICJa\\_9o](https://www.youtube.com/watch?v=PTOLICJa_9o)

Have a go... it could be fun!

## TOGETHER WE ARE EXPLORING OUR SPECIAL GIFTS

### Merit Worship

This Friday morning, we will hold a virtual Merit Worship. This will be shared on our main home learning page on the website from 9am. Class teachers will be choosing one person to receive a merit and Mrs Haines will be choosing a recipient for her Headteacher's award. In addition to this, children entering the Gold and Silver Club for Accelerated Reader will be celebrated and a Mathstronaut certificate will be awarded as well.

### Accelerated Reader gold and silver stickers

Well done to the children who have continued to read and take Accelerated Reader quizzes. Below shows our Hall of Fame - children who got 80% or above on their quizzes have joined the Silver Club and children who achieved 100% have joined the Gold Club. Congratulations and keeeeeeep reading!

MEMBERS OF ACCELERATED READER GOLD AND SILVER CLUB THIS WEEK 17 <sup>th</sup> April 2020	
Gold	Silver
Maisie	Maisie
Grace Eliza O Amelia W	
Kai Joseph	
Sienna Connor	Elizabeth R
Maisy-Lily	

If you are worried or concerned about the wellbeing of any of our pupils, please ask to speak to Mr Copley, Mrs Haines, Miss Burgess, Miss Martin or Mrs Laptew

To finish off with here are some examples of what children have been doing at home. Unfortunately we are not able to put everybody's on, To see some more examples of fantastic home learning go to our Twitter feed @stfrancisbrad

FS1 - Tommy has been planting seeds

FS2 – Abigail's caterpillar's have turned into beautiful butterflies

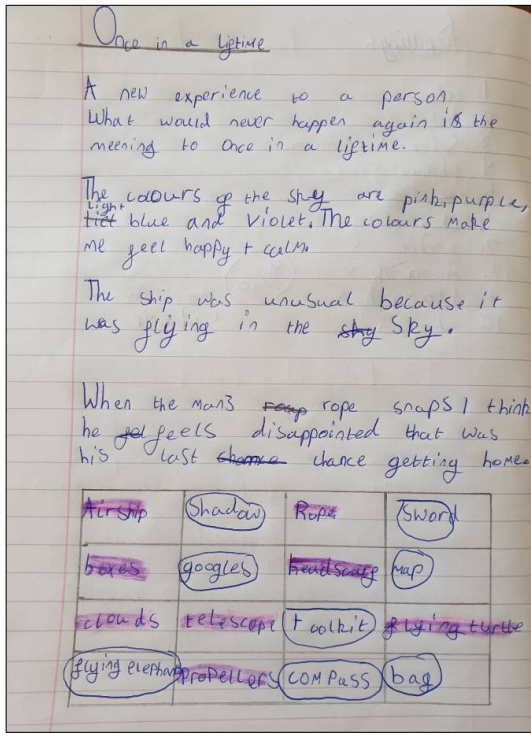

Year 1 – Max drew and labelled a flower

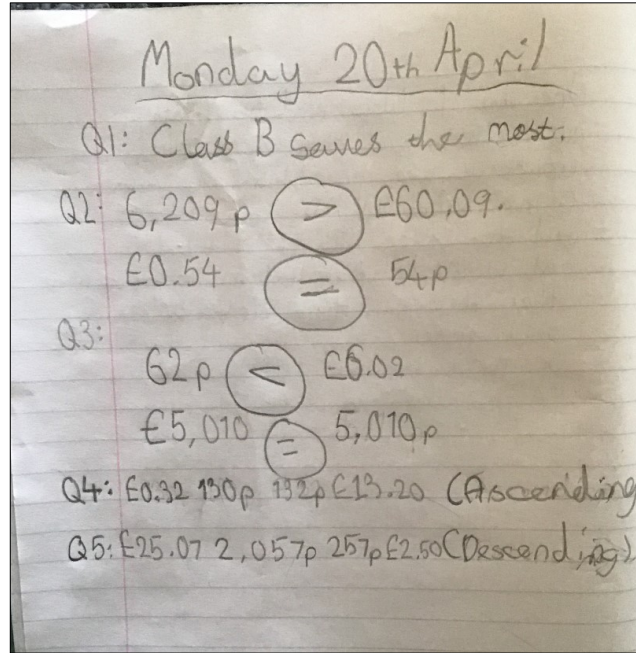

Year 2 – Grace wrote a lovely piece about Palm Sunday

Year 3 – Eliza's work English based on the clip 'Once in a Lifetime'

Year 4 – Amelia has been ordering money

Sienna Lancaster 20.4.2020

**Comment [1]:** Excellent work Sienna, multiplying fractions is not as difficult!

Starter:

- Sometimes because 9 is an odd number and it can be divided by 3 but 7 is an odd number and it can't be divided by 3.
- Always because if you do  $6 \times 6 = 12$  or if you do  $6 \times 6 \times 6 = 216$ .
- Never because cubed numbers are multiplying the number by itself two times. For example  $3 \times 3 \times 3$ . A squared number is only multiplying the number by itself once. For example  $3 \times 3$ .
- Sometimes because  $5 \times 3 = 15$  and that is the lowest common multiple. But if you do  $6 \times 3 = 18$  but 18 is not the lowest multiple. The lowest multiple is 6.
- Sometimes because 2 is a prime number but it is not in the 4 times tables.
- Never because if you treble 3 it is 9. If you treble 7 it is 21.

- $3 \times 4 = 3$  lots of  $4 = 4 + 4 + 4 = 12$ .
- $5 \times 2 = 5$  lots of  $2 = 2 + 2 + 2 + 2 = 10$ .
- $6 \times 4 = 6$  lots of  $4 = 4 + 4 + 4 + 4 + 4 + 4 = 24$ .
- $3 \times 5 = 3$  lots of  $5 = 5 + 5 + 5 = 15$ .
- $8 \times 8 = 8$  lots of  $8 = 8 + 8 + 8 + 8 + 8 + 8 + 8 + 8 = 64$ .

Year 5 – Sienna has been multiplying fractions

Year 6 – Rose has drawn a lovely picture about what heaven means to her

Thank you to all our children for doing some fantastic work.
