Flu immunisation

If you have signed the consent form for the flu immunisation, your child will receive this in school on Thursday, 19th November.

School Photographs

The photographs that the children had taken before half term have now been in quarantine for 2 weeks. They will be coming home with the children today. Please return your orders by Tuesday 10th November.

We are very optimistic of being able to set up a virtual choir. Parents of children in Years 3 - 6 who expressed an interest in this, received a letter before half term with more details. They were asked to email choir@stfrancisbrad.co.uk to confirm that their child would definitely like to join the choir and that they would be prepared to put in work at home to learn the melodies and lyrics using prepared resources. Thank you to all the parents who have emailed so far. The deadline for this is Friday, 6th November. We are really looking forward to hearing the children sing again - even if it is only virtually at this stage!

Miss Burgess would like to thank all the Y5 and Y6 children who expressed an interest in Bikeability. Unfortunately, we did not have the sufficient interest for the Bradford team to come and run the session. In addition the current lockdown situation would potentially have made this very difficult anyway. However, children keen on cycling - so please keep your eyes peeled again at either using the Bikeability team or running so

Thank you to all the parents/carers who have already downloaded our new school app. So far, 124/145 families have already downloaded which is fantastic. If you haven't already done so, please download the School Jotter app and search for our school. It would be great if all our families use it and then we will be able to communicate with you even more efficiently through this.
