This week, our children are exploring the faith of Hinduism, whose special festival of light known as Diwali took place on Saturday. The children are learning all about the beliefs, artefacts and special customs which form part of the Hindu faith.

Covid 19 Update

We are really looking forward to welcoming back our Y3 and Y4 children this Thursday and our Breakfast Club/After School Club bubbles on Friday this week. We thank all of these children and families for supporting our school by isolating at home for 14 days and engaging so well in their home learning. We are all so proud of you!

Over the weekend, we had to close our Foundation Stage bubble for 14 days, due to a member of staff testing positive. Our Foundation children are all now busy doing their learning at home whilst isolating. Thank you to them and their parents/carers for helping towards keeping our school safe.

Deep Clean

Over the weekend, a professional deep clean took place in every area of our school in order to make it as safe and clean as possible following the different bubble closures. We continue to work hard to ensure the best possible safety and education for all of our children during this difficult time.

Isolation and Testing advice

Please remember that if you are advised that your child should isolate for 14 days due to being in close contact with a positive case, you should only get your child tested if they show symptoms. If you do decide to have them tested and the result is negative, your child still needs to continue to isolate for the remainder of the 14 day period, as they could develop symptoms at a later point:

School Dinners

Unfortunately, for the remainder of this week, we will only be able to provide cold dinners for children choosing a school dinner, as our kitchen staff are all isolating at the moment. We apologise for this and we will ensure we inform you once the kitchen is back up and running. Thank you for your understanding.

☆☆

Flu Vaccination

The School Nursing Team was due to be in school this Thursday administering flu vaccination nasal sprays to all children whose parental permission was given a few weeks ago. Unfortunately, they are also short staffed due to covid related issues and so this now needs to be postponed. We will communicate a new date to you as soon as it is rescheduled. Again, thank you for your understanding.

FREE AFTER SCHOOL ACTIVE ZOOM SESSIONS

To help students achieve their 60 minutes of physical activity day Kanga will be running free online after school activity clubs.

All the clubs will be run online via Zoom and will require minimal equipment that can be found in the house. For example, a pair of socks rolled up to make a ball.

Each club will run for approximately 30minutes.

After School Zoom Multi activity club.

Helping kids get active.
